

FACULTY OF SCIENCE
THE UNIVERSITY OF HONG KONG

Faculty of Science

70th Anniversary Alumni Fund

Make a gift now!

Dear alumni and friends,

In the past 70 years, the Faculty of Science has made significant contributions to science education and research in the region and the world, and our Platinum Jubilee is a perfect time to reflect on our past and celebrate the future. Education has always been the Faculty's foremost mission. With the new 4-year undergraduate curriculum in the horizon, preparation of a new curriculum is in full steam. For the Faculty to continue to pursue excellence in student development and academic achievements, your support is vital.

In recent years, some of our students have taken the advantages of the student enrichment programmes, such as the exchange programme and other learning opportunities to broaden their horizon. However, due to severe funding limitations, only less than 5% of our students were able to participate in these programmes. It is hoped that the setting up of the "70th Anniversary Alumni Fund" would make possible some resources to support student developments, and provide financial subsidies to top students who could not otherwise afford in the participation of environmental protection programmes, field trips and research fellowship programmes, etc. The target of the fund is HKD 7 million, and part of the capital will be deposited to generate interest to sustain the fund. Your contribution is an investment in our students and the next generation. An executive committee will be formed to monitor the usage of the fund.

Thank you!

Sincerely yours,

Professor Sun Kwok
Chairman, Organizing Committee of Platinum Jubilee Anniversary
and
Dean, Faculty of Science

Your support will make this possible for more students

Student Sharing

Learning Opportunity in Nepal

TANG Chin Cheung

Year 3, BSc (Environmental Life Science)

Participant of Intensified Learning Opportunity Programme in Nepal, 2007

"The internship programme of the Fair Trade Group in Nepal offered by the Intensified Learning Opportunity Programme gave me opportunities to apply my academic knowledge in the environmental aspects. In addition, living and working in a developing country for three months really showed me the true meaning of life."

Field Trip in Tibet

CHAU Chi Bong Barry

2007 BSc (Earth Sciences) Graduate

Participant of Tibet Geological Research Field Camp, 2006

"I had the chance to visit the domestic family in Tibet, see the Mountain Everest and of course shoot many astonishing picture. It was an absolutely an extraordinary experience to me ever."

Internship Programme in Cambodia

CHOI Kin Sang Wallace

2008 MPhil (Biological Sciences) Graduate

Participant of Ocean Park Conservation Foundation Internship Programme in Cambodia, 2005

"Joining the internship programme for dolphin conservation in Cambodia inspired me how to strike a balance between human and nature. It means a lot to me to experience such devoting act of those environmentalists in Cambodia to protect the dolphin's future."

Participant of Overseas Research Fellowship Scheme

CHU Chun Kit

Year 2, BSc (Chemistry)

Participant of Overseas Research Fellowship Scheme in Department of Chemistry, University of Waterloo, May-August 2008

"This trip has given me a lot of inspirations. I am now more certain of what I like and what I would like to be in the future. I am sure that this trip will change the rest of my life."

With your help, we can also provide our students with more learning opportunities:

- social services
- environmental protection programmes
- visit to devastated areas

1. I would like to make a donation:

Distinguished Donors			
<input type="checkbox"/>	Gold Donor	\$200,000 or above	
<input type="checkbox"/>	Silver Donor	\$100,000 or above	
<input type="checkbox"/>	Bronze Donor	\$50,000 or above	
One-off donation			
<input type="checkbox"/>	\$1,000	<input type="checkbox"/>	\$3,000
<input type="checkbox"/>	\$5,000	<input type="checkbox"/>	\$10,000
Others \$ _____			

Donors' names will appear in the 70th anniversary commemorative publication if this form is received by **August 31, 2009**.

I wish to remain "Anonymous" on donor listings

2. Donor Contact Information (All data will be treated in strict confidence)

Donor's name: _____ (English) _____ (Chinese)

Year of Graduation: _____ Programme/Major: _____

Email: _____ Contact no.: _____

Address: _____

3. Payment Methods (Please tick one)

Cheque (please make cheque payable to: "The University of Hong Kong" and send the cheque together with this donation form to Faculty of Science, G/F, Chong Yuet Ming Physics Building, The University of Hong Kong, Pokfulam Road, Hong Kong.) Envelope is attached at the back of the form.

Direct Transfer to either of the following bank accounts of "The University of Hong Kong" (please send back the original bank deposit receipt or the online transfer confirmation together with this donation form)

▶▶ **HSBC:004-502-403421-001**

▶▶ **Bank of East Asia:015-176-25-00683-0**

Receipts will be issued for donations of HK\$100 or above for tax deduction purpose.

Please contact us if you have any enquiries.
